Correct wording of vacancy advertisements

Just a reminder about the correct wording for tagged positions (S65 and S66) as legally required by the Private Schools Conditional Integration Act (PSCIA). Please refer to Part 5/6 of the orange "Handbook for Boards of Trustees, Principals and Staff of New Zealand Catholic Integrated Schools".

For non-tagged positions the advertisement needs to be open and unconditional. e.g. ...*The successful applicant will be expected to support the ethos and special character of the school...*

If further clarification is needed please contact the Jenny Gordon, Vicar for Education, (04) 496 1735).
