## Other RE Qualifications

*The Tertiary Catholic Institute and Good Shepherd College have merged and from 2020 will be known as the:-*

### *Catholic Theological College*

As well as short courses, the Catholic Theological College offers formal qualifications in Religious Education through the 'Certificate in Christian Studies' and the 'Diploma in Christian Studies', both with a focus on Religious Education.

The study consists of papers in Theology, Scripture and Religious Education. At the diploma level, there is a choice of which particular courses are studied. This would be considered the minimum qualification that a specialist teacher of Religious Education would be working towards.

For more information and further study options offered by the Catholic Theological College go to:
