

# Annual Appeal 2024

Bringing *Hope...* to our **Communities**

Dear Friend of CSS,

I hope this letter finds you well. As a valued friend of Catholic Social Services, we wanted to reach out and let you know a little more about our work and this year's annual appeal.

## What We Achieved Last Year

Thanks to the kindness and commitment of our donors, in the past year we've brought hope to:

- ❖ those in Hospitals and Prisons, providing **over 5000** hours of chaplaincy support to patients and prisoners under stress, their whānau and staff
- ❖ **over 50** newly-arrived refugees by providing household items and food, and supporting family reunifications
- ❖ children and adults experiencing grief and loss with **over 150** people attending Seasons for Growth courses and **over 40** Companions trained to work through these issues in school and community settings
- ❖ **over 30** men seeking parenting support, providing training and mentoring to become the Best Dads they can be
- ❖ **Over 60** people seeking accommodation, access to health services, support dealing with government agencies, and others with significant needs in our communities.

## The Ongoing Need

Much has been done but there's still much to do! We're committed to expand our reach to meet the needs of our communities.

This is where we humbly ask you to consider supporting our work.

## How You Can Help

This year we're asking our Friends to consider helping in one or more of these ways

1. Donate to our appeal, to fund the important work that we do
2. Donate some of your time to our work as a volunteer in one of our programmes
3. Pray for those in need in our communities, and for the work of Catholic Social Services to address those needs.

Your generosity **truly** makes a difference. Thank you for being a part of our community and for your continuing support.

Ngā manaakitanga (with blessings),

**Chris Ward**, Director Catholic Social Services
