Welcome to this guide on planning your Catholic wedding day in New Zealand or overseas.

As you make plans for your wedding day, there will be a number of things to check off your list. Please allow at least 6 months to complete the Catholic marriage preparation requirements outlined in this guide.

Every wedding is unique, and your situation will differ from that of other couples, making this guide not a one-size-fits-all solution. There may be things that crop up in the planning of your wedding ceremony that you'll want to discuss. Your Officiating Priest, Marriage Celebrant, Parish Secretary and Archdiocesan Marriage Ministry Staff are all there to help you.

Getting married in the Catholic Church

What you need to know...

- The first thing a couple needs to do is to contact the local Priest or Parish Priest or Parish Office where you live and make an appointment to see your local Priest/Parish Priest/Marriage Celebrant.
- You must ensure you have a Priest/Marriage Celebrant who has agreed to officiate your wedding.
- You must book the Church where you wish to marry. Some churches require this booking one year in advance of your wedding date. It is important to check with your Priest/Marriage Celebrant before you set the date for your wedding as some churches require you to sign an agreement and pay a deposit.
- The Catholic Pre-Nuptial Enquiry Forms for each person marrying are to be completed by the couple with a Priest/Marriage Celebrant present to guide you. You will need to provide:
 - A Baptismal Certificate for marriage purposes. This is to be issued from the place of baptism within 6 months of the proposed marriage date.
 - Confirmation details, if not recorded alongside baptismal details (a separate certificate or copy).
- If you are marrying a non-Catholic, your Priest/Marriage Celebrant will ask you, as the Catholic party, to sign a specific form. It is a simple process. Any necessary permissions and dispensations will be handled accordingly. Your Priest/Marriage Celebrant understands that you may have questions and aims to make this process as friendly and stress-free as possible.
- Enrol in a Marriage Preparation Course (see Section 2 of this booklet).

Marriage Preparation Programmes

Our aim is to support you in making your marriage the best possible.

ENROL NOW

Love is a Decision (LIAD) & COMMIT programme

These two steps are designed to be completed together and take place in person in Wellington. LIAD is a group course over two consecutive Sundays from 10am to 4pm, while COMMIT can be scheduled with a Marriage Educator by arrangement. The cost for this is \$130.00 per couple. We urge couples to register for a course that is well in advance of their intended wedding date, to allow for time and space to reflect on your relationship and your future together before the busyness excitement of the lead up to the wedding celebration.

Smart Loving (9-week Online, Self-Directed course)

This course is available for members of our Archdiocese who live in the South Island, instances where one of you lives outside Wellington and you cannot attend together, or exceptional circumstances that mean you cannot attend our courses. Together as a couple, work through the course on your own. We urge couples to be intentional about making time in your schedule to spend time on this course. The cost is AUD129.00/USD90.00 includes PDF (self-print) workbooks.

For course dates, further details and registration visit the link below, or by QR code.

Getting married overseas?

Arranging for a Transfer of your Pre-Nuptial Enquiry papers to another country for your wedding

- Whether you are planning to get married in New Zealand or overseas, it is essential to reach out to your Priest as soon as possible to arrange an appointment to complete the Pre-Nuptial marriage documents.
- Your marriage documents should be prepared in the location where you currently reside.
- The completed marriage documents will be sent by your Priest to the Vicar General, Monsignor Gerard Burns, in the Archdiocese of Wellington. The Vicar General will then provide any further documentation required and send overseas to the Bishop's representative (either the Vicar General or Vicar for Marriages) in the Diocese's Chancery Office where your wedding is scheduled to take place.
- Once received, these documents will be forwarded to the Priest/Marriage Celebrant who will be officiating your wedding ceremony.

Please allow at least 6 months for this entire process.

- The shipping cost of this service will be on-charged to the couple after the documents have been delivered.

Civil requirements in New Zealand

GETTING A MARRIAGE LICENCE

Before you get married, you need to apply for a marriage licence. This confirms it's legal for you to marry. A marriage licence costs \$150.

- You need to arrange your licence at least 3 working days before you get married.
- It expires after 3 months.
- Your Priest/Marriage Celebrant will officiate your marriage and is 'the celebrant'. Priests/Marriage Celebrants in New Zealand are registered celebrants with the Department of Internal Affairs. To check if your Priest/Marriage Celebrant is registered, please ask them, if you are unsure. The Vicar General will be able to help with this if any further information is needed.
- Only one of you need to complete the application, but they need all the correct information about the both of you.
- Apply online.

Civil requirements for overseas weddings

CERTIFICATE OF NO IMPEDIMENT (CONI)

Some countries will ask you for a document that proves you are not already married in New Zealand. In New Zealand, this document is called a 'Certificate of no impediment to marriage', other countries might call it something different. The Department of Internal Affairs can help you with this.

Your ceremony

Your ceremony is the most important aspect of your wedding as it is here that you declare your love and commitment to each other for the rest of your lives in the sight of your family, friends and God. Marriage is a life long commitment and the time you take to prepare your marriage ceremony will bring you lasting memories of a wonderful day.

- It is always important to plan your wedding ceremony in conjunction with the Priest/Marriage Celebrant who is officiating and celebrating your wedding.
- It is also important to choose readings, hymns and prayers that are meaningful to both of you.
- Including family members in your liturgy from both sides of the family is important as you are to become one family.

For more information about planning your wedding ceremony, please talk to your officiating Priest/Marriage Celebrant. The following links may help with your planning.

May your love for each other reflect

for his Church.

As you face the future together,
keep in mind that the

Sacrament of Marriage
unites you with *Christ*

and brings you, through the years,
the GRACE and BLESSING of God our Father.
